

**Our
Downtown Santa Monica
Event Venues**

Safety protocols

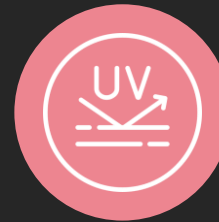

We pride ourselves on having venues and events that utilize the highest standards of cleanliness and safety to provide a safe and inviting environment for you and your guests.

Our protocols abide and surpass regional requirements.

Some additional amenities we have included in our venues are:

Hand sanitizer readily available in numerous locations on premise.

UV-C Portable Filtration Purifiers located throughout the venues.

Socially distanced eating areas and spacious outdoor areas for use

Mask requirements required throughout the establishments when not actively eating/drinking

Our Services

Catering | Events

Let us host your next event to create lifelong memories.

Event production is the blueprint for a successful event; it all starts from the ground up. Our experience not only stems from working with venues and catering companies but we are also venue owners. Paying attention to every little detail is our strength and the main attribute to successful events. We consider all possibilities of organizing, structuring, and executing an event so that your event is as innovative and original. From the experience of designing and managing our own venues we know how to be inventive and organized for all possible events in order to deliver that newly stylized and operated event. We strive ourselves on creating top tier quality events in order to deliver the 'WOW' reaction every time!

Our capabilities include the following, but not limited to, services:

- Invitation design, printing and management
- Talent coordination
- Sound
- Décor
- Furnishing
- Lighting
- Catering (Food and Beverage)
- Permitting
- Security/EMS/Fire/Police service
- Special effects / Green Screen
- Travel and hotel logistics
- Research and trend analytics
- Sponsorships
- Brand placement and activation
- Photography/Videography service
